The largest flybridge space in her class is just the start for this luxurious Azimut yacht.

Stand out from the crowd on board this beautiful and modern Azimut 68' Yacht. Her stunning beauty resonates but the quality is in the details. Comfort, safety, technology and elegance all attribute to the Italian ingenuity that can be seen throughout this gorgeous model.

Her attractive hardtop is made versatile thanks to a retractable sunroof. Everything on this Azimut yacht is amplified: more space and unparalleled livability offered by a 28 m2 flybridge, the largest in its category. Three separate areas make this the ideal place to enjoy unique experiences in complete freedom and privacy. Azimut also appointed an extremely generous area for the cockpit and her large overhang that created the extra large bridge space above provides tremendous shade overhead. This space is perfect for Al Fresco dining or cocktails over an evening sunset Champagne cruising.

Inside the ample saloon, formal dining is found midships, centered on a well-appointed galley complete with bar. The lounge space makes best use of the elongated flybridge over the prow. The saloon exudes Azimut style, with luxe couches, a formal dining area for six, and the ubiquitous pop-up TV.

The accommodation below deck makes the most of the yacht's volume, creating space for four (4) cabins with no option to significantly alter that plan. But it's the foredeck that seals the deal with seating for eight and two very wide sunbeds – all achieved without encroaching on the walkways to and from the bow.
